THE

MARIONETTE

EDITOR • OLLIE STONEBRAKER
BUSINESS MANAGER • JOE PICKETT
ADVISOR • DR. PORTER

Shine brightly, steadfast light of Alma Mater;
Vanquish every shadow of uncertainty;
Brighten each color of achievement;
Mellow these golden years of opportunity;
Shine brightly, steadfast light.

A YEAR

1955

MARION COLLEGE

MARION, INDIANA

TO REMEMBER . . .

WE REMEMBER CLASSES

The guiding light of Love and
Purpose
Unifies diversiy of interests,
And simplifies complexity
of origins,

Taking from each his purest contribution
And giving to each the best of all the rest.
—S. L.

DEDICATION

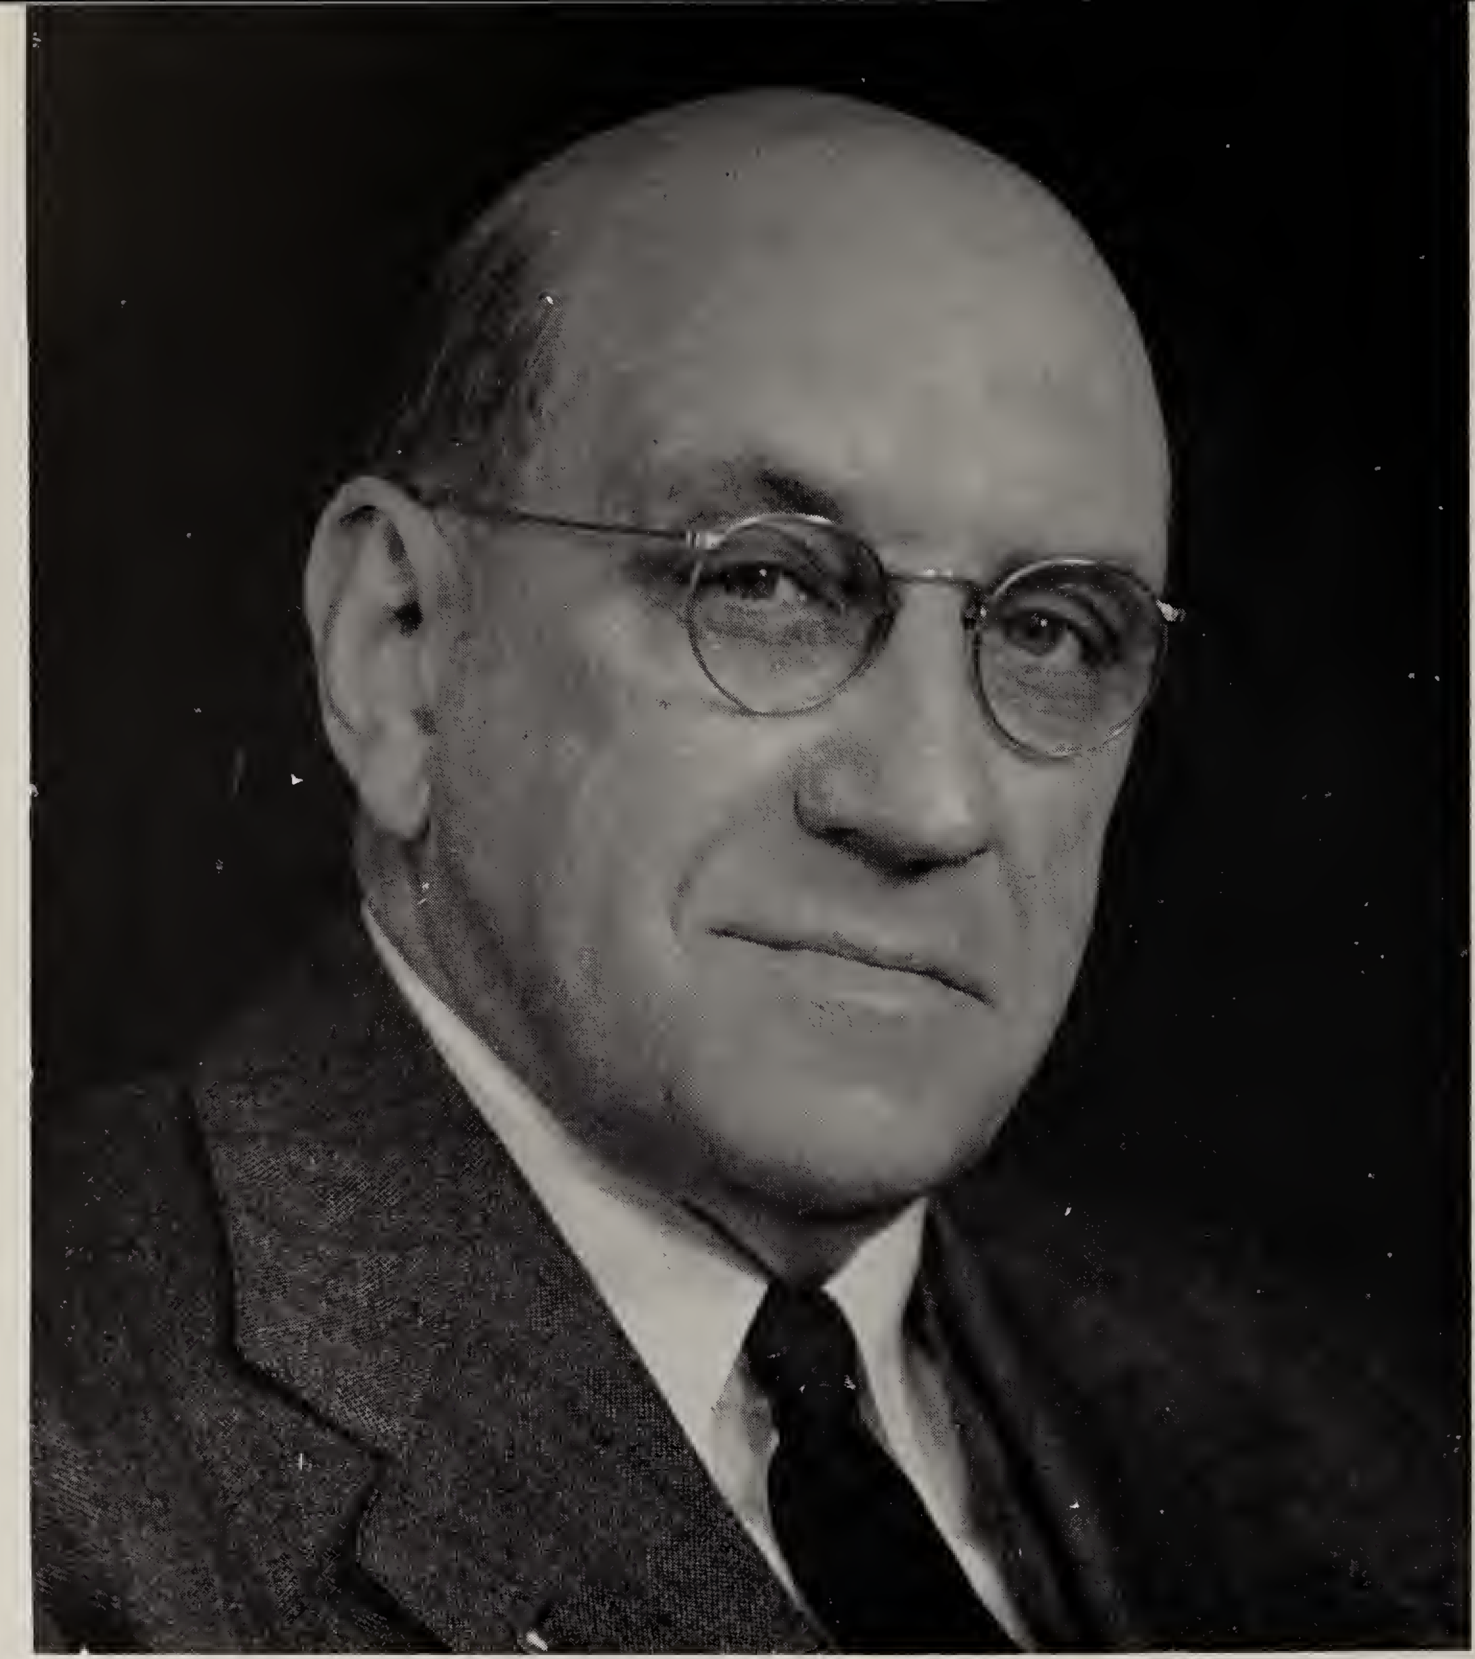
Patience, kindness, and genuine devotion to the task set before her have proved characteristic of Mrs. Gretchen Parker during the twenty-six years of service she has faithfully rendered to Marion College students. She has studied at Marion Conservatory, Indianapolis College of Music Art, Chicago Musical College, Cincinnati Conservatory of Music and various other colleges. She received her B.Mus. from Bush Conservatory.

Students who have had the privilege of working closely with Mrs. Parker have found her warm friendliness and never-tiring efforts to be sources of enrichment for their own lives. She has given careful, efficient instruction in piano and musical theory.

We have learned to appreciate Mrs. Parker, not only as a teacher, but as a personal advisor and helper as well. She has endeavored to better prepare students to meet the truth of life through music. "There is no truer truth obtainable by man than comes of music." —Browning.

The MARIONETTE Staff is happy to turn the Beacon light of the 1955 MARIONETTE on one whose gracious service and personalized student interest is held in deep respect, Mrs. Gretchen Parker.

Certificate



WILLIAM FINNEY McCONN, B.O., A.M., D.D.
President

Dr. McConn, president of Marion College, has been a light to all with whom he has come in contact, inspiring them to higher heights, keener vision, and greater achievements, both intellectually and spiritually. Serving Marion College since 1932, his service has been tireless, selfless, and indispensable. Certainly, no other person could have accomplished so much, nor been more greatly appreciated by us of Marion College than our own president.

ADMINISTRATION

HOWARD NOGGLE, Th.B.
Field Representative

RUSSELL S. BALDWIN
Treasurer and Business Manager

OLIVE M. GINGRICH
Registrar

BESSIE CRAVENS
Assistant Bookkeeper

DORIS GOINS
Bookkeeper

EILEEN SCHEDDEL
Secretary to Dr. McConn

Keeping records straight for about 425 students is a big job, but one efficiently carried on by the Administrative Staff of Marion College. There are no doubt a lot of problems and hard work daily, but the staff, with its keen sense of values and students' welfare at heart, constantly maintains smooth running of the school business.

SPIRITUAL LIFE

Standing: Jean, Joy. Sitting: Rev. George Failing, Linn, Mrs. Failing.

THE PASTOR

Despite the fact that he is perhaps the busiest man around the campus, our pastor, the Rev. George Failing still may be seen participating in many of the college activities.

Coming to our campus in the fall of '53 from Houghton College, with an A.B. from there and a M.A. from Duke University, he has faithfully served as our chaplain and spiritual adviser. His sympathetic understanding of human nature has made it a pleasure to have him as a counselor, and his schedule is never too full to prevent him from uplifting the discouraged, or giving advice to those with spiritual problems.

SPIRITUAL GROUPS

One of the important purposes for which Marion College has been estabished is to prepare students for full time Christian service, and for this purpose we have three campus organizations.

The Student Ministerial Association stresses Christian service at home, and sponsors street meetings, while the Foreign Missions Fellowship, emphasizing missionary zeal and preparation, sponsors the annual Missionary Convention.

Special meetings, such as the jail, institution, and factory services are under the guidance of the Student Conference, which elects the leaders for these various services. The mid-week campus prayer and praise service is also under the direction of this organization.

Although not a campus organization, the Wesleyan Young People's Society of the College Church is also very active and holds the annual Youth Week services.

REVIVALS

One of the purposes of the College is to help the student to grow spiritually as well as intellectually. With this in view, at least two revival efforts are sponsored each year by the College Church. The Fall revival was held by the Rev. James Chrispell of Hastings, Michigan, with Herman Baker, head of the College Music Department, in charge of music. The Spring revival was under the leadership of the Rev. E. L. Foot of Washington, D.C., with Marvin Baker of Fairmount, Indiana, conducting the music. Both compaigns were refreshing seasons of blessing and were accompanied by many spiritual victories.

Returned missionary from Africa.

Marion College has long been known as a school with a missionary vision. This truth will be readily recognized by the fact that the student body is at present supporting five missionaries on the field. Rev. and Mrs. Robert Mattke are being supported in Australia, Rev. R. S. Nicholson in Japan, and Rev. and Mrs. Malcolm Ellis in Africa. Then too, the student body sponsors annually a Missionary Convention as a means to greater missionary zeal.

"Send the light, the blessed gospel light,
Let it shine from shore to shore . . ."

This might well have been the theme song of the seven gospel teams that have been representing Marion College each week-end during the school year. Under the auspices of the Student Conference, these teams, each with an outstanding student leaders, have been carrying the gospel light to churches in many different states and denominations.

ACTIVITIES AND ORGANIZATIONS

STUDENT COUNCIL

Under the direction of their capable president, Eldine Landis, the Student Council has made many valuable contributions to student life. Ironing out problems, seeking to bring about closer relationships between students and faculty, and launching worthwhile projects are only a few of their varied activities.

Such student planning as Christmas caroling and programs for special days is left in the hands of the Council. The group found itself responsible, early in the year, for recommendations of students for Who's Who in American Colleges and Universities. The Council has felt the absence of Dr. McConn very keenly and began a student project to purchase him a new car.

The Council is composed of the four class presidents, a representative from each class, and the two social deans, Miss Della Waters and Professor Clarence Huffman. As we look back over the year, we feel a deeper appreciation for these who have so faithfully represented us in the matters of student government.

COUNCIL MEMBERS

Sam Miller, Ron Smeenge, Ted Suffridge, Dewaine Silvernale, Pierce Brane, Eldine Landiss, Janis Stuckey, Cletus Kramer, Benny Medows.

F. T. A.

A real challenge has been presented to Marion's would-be-teachers through the varied activities of the Future Teachers of America Club which is a division of the national organization. Problems, opportunities, and interests of the field have been very profitably explored. Whether individual interests have been elementary or secondary, careful guidance and inspiration have been planned under the capable leadership of Dr. C. G. Lawrence, sponsor, and Duane Deardorff, president.

"M" CLUB

Composed of the All-Stars of the softball, football, and basketball teams, and Amphic and Eurekan cheerleaders, the M Club sponsors the intersociety sports. The group is also responsible for setting up requirements governing the winners of the athletic letters. Famished ballgame attendants have found a welcome relief in the cokes and popcorn the club has sold. A Spring banquet culminates the year's activities.

AMPHICS

The old Amphic Ship welcomed many new crew members on the eventful, annual Rush Day. Society spirit was kept at a high pitch from the night of the initiative hayride until the morning "Pomp and Circumstance" echoed through Marion's halls. The colorful red and white of the Basketball season reflected heart-felt loyalty. With competence and zeal the various school activities have felt the added support of the Amphics. Members have realized the supreme importance of good sportsmanship and friendliness at all times.

A good showing was made by the group teams on the ball diamond and football field. Although the Amphics fought and presented stiff competition, they were defeated in basketball by the more victorious Eurekans. Presidents, Norman Carter, Jack Ott, and Joe Pickett assisted the group in lifting the old friendship banner higher.

EUREKANS

The Torchbearers' King, Queen, and attendants

The Eurekan Athletic Society hurried off to a good start on Rush Day with Her Majesty, Naomi Muterspaugh, the queen, and His Majesty, Dick Chrispell, the King. Consistent hard work brought the club a season's victory in the annual Amphic-Eurekan basketball series. The three top MARIONETTE salesmen of the year were produced by the Eurekans who took the MARIONETTE Contest by a wide margin. The wearers of the green and white have endeavored to promote an atmosphere of friendly competition and spirited rivalry among the students. The alumni of the Eurekan Society made a valuable contribution to the basketball games in the presentation of an electric scoreboard. Under the leadership of presidents, Harold North and Gerry Brannon, the 1954-55 Eurekans have added to the light of the symbolic torch.

PHYSICAL SCIENCE CLUB

The Physical Science Club brings together students of chemistry, physics and mathematics who unite their talents and efforts to further the development of interest and study in their chosen fields. A delightful film on the study of astronomy was presented in the fall and again in the spring the club contributed to the student body an excellent and informed lecturer on tumors. Those present found these programs both enjoyable and instructive.

B. I. O. CLUB

Although all of Marion's students are not active members of the Bio Club, all find their lives enriched by the varied activities of the club. Many have spent enjoyable evenings on imaginary trips to faraway places through the facilities of the Audubon Screen Tours which are sponsored by the Bio members. Monthly meetings for instruction and occasional outings for relaxation inspired the science minded and nature lovers to develop a new understanding for the subject.

FRENCH CLUB

Parlez vous francais? If so, much enjoyment is ahead through the fellowship of like monsieurs et madamselles. Traditions of the French people and the background of their language are subjects of interest and study to the French Club. Social enjoyment and vital group learning make it a valuable asset to the French text. Chapel presentations portray only a part of the diligent work and enthusiasm of the group.

SPANISH CLUB

The enchanted, romantic language of the Spanish brings to every member of the Spanish Club a field of varied and interesting study. Current films, traditional customs, and a rich, aristocratic history create a world of never-ending exploration. The United States' Spanish-speaking neighbors bring about a greater urgency for the benefits of the Club.

GERMAN CLUB

The German Club found great interest and instruction in a German couple who were introduced to the group by Mrs. Buchen, their sponsor, early in the year. The language and ways of the German people have held many surprises and much interest for members of the club. Periodical meetings of the group have had added color through informal discussions, demonstrations and, usually, refreshments just the way the german people like them. A very entertaining program and skit was presented to the Chapel group.

PARNASSUS CLUB

If you have chosen the mother tongue for your major or minor field of study, you are cordially invited to join the ranks of the Parnassus Club. The purpose and meaning of the Club is to give inspiration for writing. Much hidden talent is discovered in the event of the annual short story and poetry contest sponsored by the Club. A study of various authors and a further understanding of the English language are developed through the year.

FORENSIC CLUB

Interpretation in the field of Speech is given full right-a-way in the activities of the Forensic Club. Tryouts, in the fall, are open to all who wish to participate. A dinner is given in the fall to welcome new members. During the year the Club sponsored the presentation of "The Life of John Wesley" by Wilbur Williams. A Club reception entertained the guest speaker and his attendants after the program. Also enjoyed by the Study Body was the Extemporaneous Speech Contest which was won by Sam Long. A debate on the national query, "Should Diplomatic Recognition Be Extended to Red China?" was presented by the Club.

RADIO SPEECH CLUB

Although the fall term Radio Speech Class produced no immediate Kate Smiths or Milton Berles, it did create a deeper interest and fuller understanding of the radio world. The Class was divided into groups which presented radio programs of varied natures. A study of outstanding leaders in the field was made along with the rest of the course. Near the end of the term two thanksgiving broadcasts were made through the facilities of WMRI.

ART FORUM

Various types of art are explained and demonstrated to members of the Art Forum in their periodical meetings. Their motto, "Simplicity is the keynote to all beauty," is made evident in the varied activities of the year. Participation in Chapel programs adds much color to the life of the student body. Many projects receive new inspiration and assistance from the members of the Art Forum.

MUSICAE

If it's music—vocal or instrumental—it has a place in Musicae. Try-outs are held in the fall for those with special musical ability who are interested in uniting their efforts with others who share their fields of study. Programs presented throughout the year by members of Musicae are open to the general public. Mrs. Parker, sponsor, leads the group through many successful activities during the year.

COLLEGE CHOIR

If you hear music floating on the air around 12:40, it might very possibly be the voices of the Marion College Choir descending from the windows of Recital Hall. "The Holy City" and "The House That Stood the Storm" are only a couple of the various anthems, gospel songs, and spirituals the group has mastered during the year. Under the direction of Professor Herman Baker the Choir has performed in local programs and Church services as well as lending its services to various churches throughout the vicinity. An Easter Tour was taken in the Chicago area. Janet Douglass and Joan Gosnell have assisted as accompanists during the year.

SENATORS AND REPRESENTATIVES

The Senators and Representatives of Marion College who reside at Congress Hall have sometimes found the complex problems of the campus almost too involved for a ready solution, but through long and extended gab sessions some kind of resolution or compromise has always been reached. The traditional Easter Breakfast presented by the authorities on Palm Sunday brought smiles and pleasant surprises to the girls.

COUNCIL OF COLLEGE COEDS

The Christmas Banquet, Valentine Dinner, and Birthday Dinner are results of the work and planning of the ingenious members of the Council of College Coeds. New girls who come to Marion appreciate and enjoy the fellowship and assistance of their "Big Sisters," a development of the C.C.C. Group spirit and social enjoyment, as well as spiritual progress, are direct aims of the Club.

Y. T. C.

To promote interest in the problems created by the use of alcoholic beverages and to work for moral reform are the purposes of the Youth's Temperance Council. This year, among other activities, they attended county temperance meetings. With Prof. Fessenden as sponsor and Herbert Claar as president, the Y.T.C. had another successful year.

I. R. C.

The International Relations Club, by conducting discussions and bringing outstanding speakers to our campus, seeks to improve student understanding of current events and world problems. This year the Club, under the sponsorship of Dr. Bowman, presented three special speakers on international problems during chapel period. President of the Club was Albert Fletcher.

COMMUNITY CHORUS

Members of the community joined with students to form one of the most delightful annual organizations of the school. The Chorus, which rehearsed each Monday night, presented Handel's "Messiah" during the Christmas season to a capacity crowd. On Palm Sunday the group gave a splendid rendition of Stainer's "Crucifixion." Both programs were recorded to be broadcast from stations WMBI in Marion, and HCJB in South America. The group was under the direction of Prof. Herman Baker, and special soloists were Virginia Wieburg, soprano; Verna Schrecengost, alto; Ritchie Walton, tenor; and Stanley Morse, baritone. Mrs. Ruth Dougherty was the organist and Joan Gosnell assisted at the piano.

PIANO AND ORGAN RECITALS

The guiding beam of Marion College guides many student into the appreciation of the cultural beauties of life. It also provides means of public expression, namely through recitals that are given annually. This year there were four piano recitals, in addition to three organ. The students presented interesting and well-rounded programs which were open for public enjoyment. The common reception-line comment, "My, you did well!" described the talent displayed in our instrumental recitals this year.

VOICE RECITALS

They look their best, they're at their best and they are the best! That's our Marion College performers on the vocal stage before an inspiring audience. It's then that hours of hard practice give our students assurance and they give forth the message that the music presents. We're proud of our voice recitals, for in each there is displayed not only unusual talent but also the able training of our Music Director, Prof. Herman Baker.

WHO'S WHO

Members of Who's Who Among Students in American Universities and Colleges are chosen on the basis of scholarship, leadership, character, and ability to succeed.

Quietly contributing to the lives of Marion College students, Naomi Muterspaugh, of Bloomfield, Indiana, has been active in numerous clubs during her four years of college work. She has found time for both the cultural and religious organizations of the campus.

If your idea needs to be written in verse, Sam Long, of Indianapolis, Indiana, is the one for the job. Sam has been active in various clubs and has served the school and the Lord as Grant County Jail Evangelist this year. This year he won special recognition in the National Poetry Association.

Mildred Britton of Leavenworth, Kansas, has contributed greatly to the Gospel Team work of Marion College through her musical ability. She has given her support to the Eurekans and various other clubs. She has been typist for the MARIONETTE staff and Senior Class Treasurer.

Student Conference meetings on Tuesday evening would not seem quite complete without the capable leadership of President Donald Dawalt of Argos, Indiana. Don was tenor soloist for the Messiah two years and has added much to the spiritual life of the campus.

Cameras, music, nature, speech recitals, all are characteristic of Ollie Stonebraker, who comes to us from Indiana, Pennsylvania. Ollie has faithfully served as Editor of the 1955 MARIONETTE and was a member of the Evangelistic Crusade Team which visited the Bahamas, as well as many other activities.

Kenton, Ohio, has given us our campus tumbling champ, Duane Deardorff. He has served as MARIONETTE photographer, F.T.A. president, president of his class and in various other capacities. His fellow students have been greatly blessed by his consistent Christian life.

Stanley Yu has come to us all the way from Nanking, China. He is married and is the father of three children. He is a religion major and Greek minor. Those who know him best have learned to appreciate his consistent Christian life and living testimony.

Ollie Stonebraker, Duane Deardorff, Stanley Yu, Millie Britton, Sam Long, Don Dawalt, Naomi Musterspaugh.

Dr. Porter, Sponsor; Ollie Stonebraker, Editor; Joe Pickett, Business Manager.

Another school year is finished, and none of us here at Marion College will ever be the same. As a light in the darkness reveals places of repugnance as well as paths of perfection, so the light of Marion College has revealed to each of us ourselves as we really are. Sometimes we have seen our weaknesses, and have thus received impetus to abolish them, while at other times we have perceived more clearly the golden potential which is within each of us and have undergone a metamorphosis, emerging as creatures far different from our original selves.

Nevertheless, we'll never be the same. They who were bewildered freshmen a few months ago are new serious and confident veterans of scholarship. Underclassmen have ascended another rung in the tedious climb for education and have added another cubit to their intellectual height. The seniors, after years of patience and perseverance, are at last treading the paths of separation, each to serve God and society as he best can.

To each of you, we of the MARIONETTE Staff extend our sincere appreciation for all that you have done to cooperate with our efforts, and hope that each of your dreams and desires shall fully blossom into the fullness of reality.

Standing: Carolyn Childress, Millie Britton, Bobbie Wood, Merrill Jackson, Sam Long, Ray Welch, Carroll Brown, Bob Wilmot, Annabelle Shearer, Kathryn Kossan. Seated: Ollie Stonebraker, Joe Pickett.

A Staff Conference

The Journal in the making

An interesting Journal!

Just as a pool of water reflects the image of its surroundings, so the school paper, "The Marion College Journal," is a reflection of Marion College in action. This charming little publication is loved by its many readers, both on and off the campus, because of its conciseness of style and versatility of subject matter.

Carol Wiley, the editor, and her staff have done a superior job in making the paper informative, educational, and interesting, and have blended into it elements of both dignity and humor. Regular columns have been featured in each issue which have followed the paths of tradition and to which all have looked with anticipation. These included such features as devotionals, Senior Highlights, and editorials. Especially interesting is a new column initiated this year which features Very Important Persons on the campus.

Marion College is proud of her classic publication, and is grateful for all those who have made it a literary success.

ATHLETICS

SOFTBALL

Spring weather and softball seem to go together at Marion College, and the first balmy breeze brings the sound of cheering fans, umpire's calls, and the smacking of the ball into the catcher's glove. A three game softball series was held this spring while the athletic field was being renovated into a baseball diamond. The Amphics, noted especially for their softball talent, won the first game. However, the Eurekans came back to win the series by taking the two final games. The series was shortened to make way for track and field events and baseball which were to follow.

FOOTBALL

In the fall, with a new school year ahead and brisk sharp weather in which to play, what could be a more appropriate game to play and witness than football. Large crowds turned out to witness each gridiron contest as the players passed, ran, and blocked their way through one of the toughest pigskin seasons that Marion College has known. The Amphics took the first game with 8-0, while both teams were deadlocked in the second game with 0 apiece. Coming back determinedly in the third game, the Eurekans won 13-7, while the final game was tied at 0-0. The teams thus evened the series and both societies shared the crown.

S. Morse, J. Bogue, S. Helton, J. Klobouchnik, H. Bardsley, G. Jack, A. Weatherby, A. Retherford. N. Carter, J. Cunningham.

AMPHIC BASKETBALL

Although they did not win the season series, this hard-working Amphic crew was a powerfully well drilled unit. These lads had height and fight. This was proved in more than a few of the seven games they played, as they came from behind to close a large gap in the score, or in the sixth game when they handed out an 83-73 shellacking to the Green clads.

Captain Gerry Jack's squad had balance, poise, and explosive potential. How well balanced they were is illustrated in a glance at the statistics. The starting lineup of Jack, Bardsley, Helton, Bogue, and Carter, averaged 9.9, 10.4, 12.0, 10.0, 12.4 points per game, respectively. Forward Jim Bogue led the Red and White in field goal shooting with 30.6%. Norman Carter was high scorer for the team garnering 87 markers, shading Steve Helton, who had 84. As a team they averaged 25.9% from the field and combined for 59.8 points per contest.

EUREKA

Sharpshooting and terrific rebounding powered the '55 Eurekan combine to their fourth consecutive society title. The hard-working torchbearers averaged 63.2 points per tussle in winning five of seven games played. These seven games were quite a strain. Only a 24-point total separated winner from loser. It took a lot of spirit and will-to-win to take five out of seven from the Friendly Crew, but these boys had it and they gave it.

Percentage-wise, forward Larry Hughes was red hot! Although he played only four games, he scorched the strings to the tune of 58%. His 70 markers gave him a 17.5 point per game average. High for the season, Captain Harold North was close behind with 16.9, as he hit for the season high point total of 118. North also potted the most field goals, 45.

The Green and White basketeers shot at a 32% clip from the field. This and the rebounding of Dick Chrispell may well have been the deciding factors to another successful season.

EUREKAN TEAM

Esther Blanchard, Marilyn McCarty, Naomi Muterspaugh, Sarah Norris, Nancy McGinnis, La Shawn Medders, Mary Morrow, Maggie Seymore.

AMPHIC TEAM

Lila Beck, Kathryn Kossan, Edith Mitchell, Marian Warner, Pearl Shei, Betty Foster.

GIRLS' BASKETBALL

The reception of the basketball crown by the Eurekan women's team might well be a record. This was the third season in a row that the green-clad girls were undefeated, and gives them fifteen straight games without a loss. The Eurekans produced the two highest scorers, who were Nancy McGinnis with a 19.8 average, and Maggie Seymore with an average of 13.8. However, Amphictyon, Lila Beck almost tied Seymore by turning in a nice 13.6 average. The Amphic team, though defeated, gave a season of good, clean competition.

GIRLS' SOFTBALL

Softball was one of the girls' chief athletic activities both during the fall and spring. Gym classes took on new color when the girls could get outside and develop their muscles swinging a bat and hitting homers; they were getting in practice for the real contests ahead. This spring there was a softball series scheduled between the Amphic and Eurekan girls. There was stiff competition and real rivalry between the teams.

BASKETBALL ALL-STARS

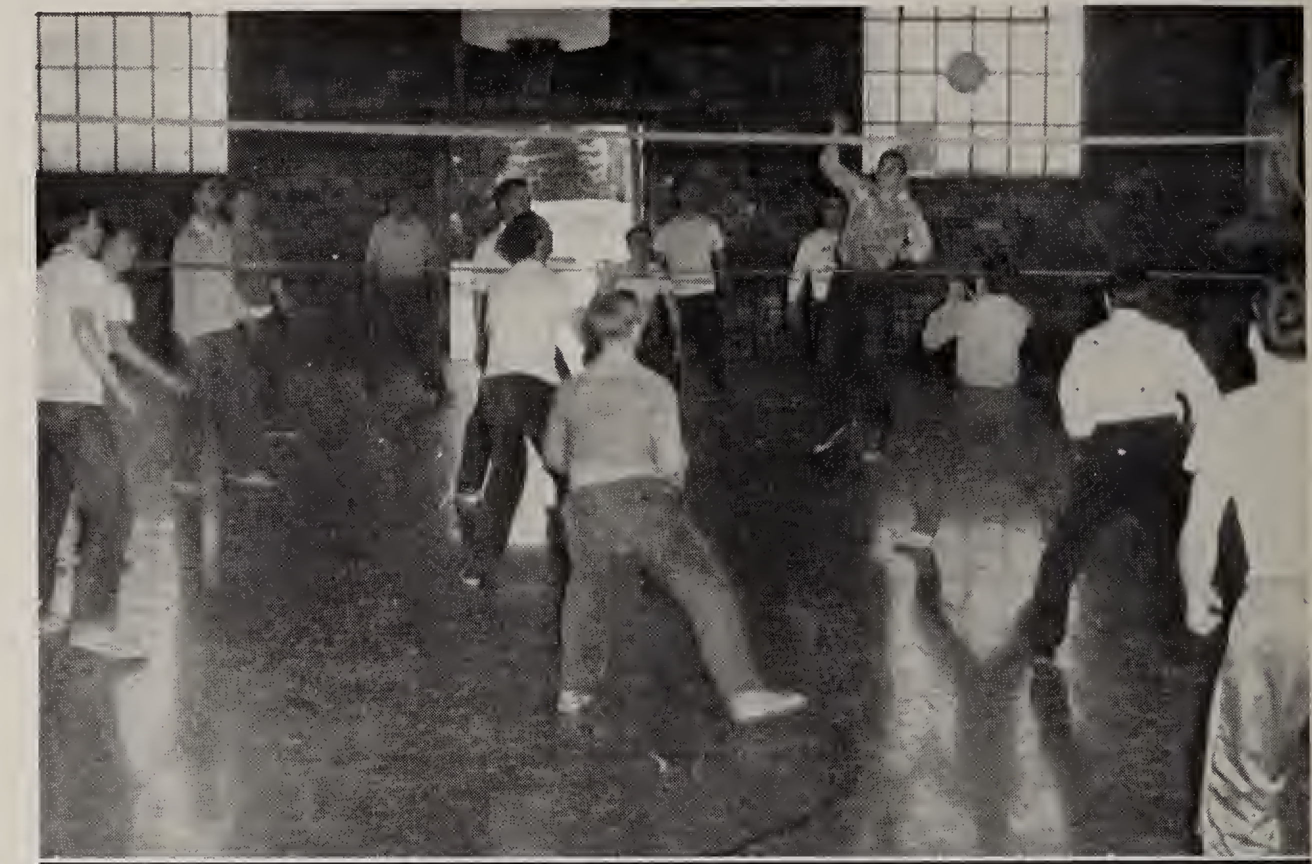
After a thrilling season of Indiana's favorite sport, basketball, both the Amphic and the Eurekan team elected five players as the All-Stars of the school. They were chosen on the basis of their all-season athletic ability, sportsmanship, and teamwork. There were three Eurekans and two Amphics selected. The final game between the All-Stars and the all-school teams was probably a record, with the All-Stars winning 115-72.

The girls' All-Star team was composed of those who were outstanding performers all year in their respective positions. Nancy McGinnis led all girls with a 19.8 per game average, followed by Maggie Seymore with a 13.8 average, and Lila Beck with a 13.6 average. In the All-Star game, these girls defeated the All-School girls' team by a score of 79-41, coming within two points of breaking a record.

Maggie Seymore, Eurekan, Forward; Nancy McGinnis, Eurekan, Forward; Sarah Norris, Eurekan, Guard; Lila Beck, Amphic, Forward. Unphotographed: Millie Henry, Eurekan, Guard.

Interest in volley ball caught on this year more than ever before, and both inter-society and inter-class games were played. The Eurekans won the inter-society playoffs with three straight games to their credit, while the Senior girls were the class champs of the Women's division. Competition was both stiff and exciting in each of these games.

VOLLEYBALL



TUMBLING

A new sport has been added this year to our growing list of sporting activities by the purchasing of a new trampoline. Our star tumbler, Duane Deardorf, has conducted tumbling classes in preparation for the use of this unique device. During half-time at the basketball games, Duane and his tumbling team gave thrilling exhibitions of their skill and ability.

A MEMORABLE YEAR

•

- Congratulations to the Student Body and Faculty of Marion College for completion of another outstanding year.

- The Staff of your annual has worked exceedingly hard to give you a superb book and one which portrays the highlights of memorable activities.

- Neither time, effort nor expense have been spared to provide you with a permanent record, attractively presented and complete in every detail.

- To preserve the photography and literary efforts of the Staff, the best grades of material have been combined with skilled workmanship to provide the finest quality yearbook.

- We are proud that the 1955 Staff elected us to help design, print and bind the "Marionette." We have earnestly endeavored to fulfill the confidence placed in us.
